June 2005 NEWSLETTER

This Year's Results!

The Ottawa Tutor Centre (OTC) is proud to announce that 90% of our students significantly increased their marks and 87% of our high school graduates gained admission to the university of their choice. In addition, several students won scholarships based on their high marks. Congratulations to all of our students!

Announcements

For the past three years, Cynthia Harrison has been leading the Ottawa Tutor Centre as Director. We are sorry to announce, that she will be leaving the OTC family as of June 30. Cynthia will be moving on to assist both her husband and her son in their respective businesses and feels that late June is the best time to make this transition. We would like to take this opportunity to thank Cynthia for her hard work and dedication. OTC, its many students and teachers, have all benefited from her leadership, care and concern and wish her well in the future.

We would like to assure our clients and tutors that there will be a seamless transition. Our founder, Barbara Ryan will soon return to Ottawa from overseas and will once again take up the position of Director. Barbara has had along career as an educator both in Canada and abroad and looks forward to meeting our staff and clients.

We Are Celebrating Our 10th Anniversary!

In June 1995, Barbara Ryan first opened the Ottawa Tutor Centre's doors in the Glebe. Since that time we have assisted over a thousand students in achieving their academic goals. Our fully qualified, Ontario certified teachers have always provided encouragement and professional guidance to ensure our students develop essential skills, build self-confidence and gain effective study habits. To serve the ever-changing needs of our community we moved to our new location in April and continue to provide a warm, comfortable but more spacious learning environment. We look forward to providing you with continued excellence in education in the years ahead.

A Gift for you!

To thank you for your patronage and in recognition of our 10th anniversary, OTC will be offering a \$10 gift certificate at Chapters to all students who enroll in our promotional Summer Programs or in our regular Fall programs.
